Work Experience

World Data Lab – Vienna, AT (Remote) - https://worlddatalab.com/
Front End Developer

03/2022 - Present

- Built responsive web applications delivering real-time data and projections out to 2030.
- Developed models for data visualization on various global issues such as population, hunger, poverty, and water shortage.

Projects:

- *World Emissions Clock:*   *https://worldemissions.io/*
- *Internet Poverty Index:*   *https://internetpoverty.io/*
- *Africa Youth Clock:*   *https://africayouthjobs.io/*
- *Africa Social Protection:*   *https://africasocialprotection.io/*
- *Water Crisis Clock:*   *https://worldwater.io/*
- *Categories Clock:*   *https://futureconsumerdemand.io/*

Hydrogrid – Vienna, AT - https://hydrogrid.ai/
Front End Developer
11/2020 – 02/2022

- Designed and continually maintained Hydrogrid's two dashboards:
- One dashboard provided clients with real-time electricity production data of their hydropower assets in a graphical format. Clients could edit parameters to maximize their profit.
- The other dashboard was an internal company product for staging new customers or simulation plants.
- Used the latest version of React.js with Hooks to ensure the dashboards were interactive, secure, and fast.

Eis World – Turin, IT
Front End Developer
01/2018 – 11/2019

- Developed websites from scratch using modern web technologies.
- Acted as the GIT "master" for a small team, merging task-specific branches into the main branch.
- Worked with PHP and MySQL for backend tasks and generating PDFs.

Loro Piana - Turin, IT - https://it.loropiana.com/it/
Front End Developer
01/2018 – 11/2019

- Contributed to building a new e-commerce platform from scratch, focusing on front-end design changes and interactions.
- Ensured the website was ADA compliant following WCAG guidelines

VideoSmart – London, UK - *https://www.videosmart.com/*
Front End Developer
04/2017 – 12/2017

- Created responsive HTML5 landing pages and email templates based on specified designs.
- Ensured cross-browser compatibility and responsiveness on various devices.

Freelancer Projects:

- *WIP:* Full-Stack-Portfolio   *- 2025*
- *https://blendon-barber-shop.it/ - 2023*
- *https://agsoritilluminazione.com/ - 2020*
